Dear Families,

This month the units are Animals, Spring/Easter, and Earth Day. Please make sure your student has the proper clothing for outdoors...remember it is **COOLER by the LAKE!**

We are still accepting registrations for current and new families for next year. The morning session has openings at this time. If you are looking for the afternoon or combined class option, please register, with enough interest we can have a second afternoon class or possibly a slightly larger class with an aide. *Please pass on the word to new families looking for a preschool. Word of mouth is our BEST advertising!*

We are in search of clean and dry caps and lids, smaller sized containers, like individual yogurt, easy to cut cardboard, like cereal boxes, random, leftover craft supplies, or anything you think would be fun for a maker station. If cleaning and collecting things doesn't work for you we would also love a donation of GLUE DOTS! If you can collect and donate any of these objects, that would be wonderful.

Learning through Play

Climbing Wall

The climbing wall provides children with the opportunity to take risks, build perseverance, make a plan and follow it, and strengthen muscles.

Upcoming Events

April 9,10,11

Spring Break

May 3

Book order due

May 22

Last day of afternoon class

May 23

Last day of morning class

Picnic at Portman Park
