This month's units are Pets, Valentine's Day and Dr. Seuss. Conferences are this week. No class for the PM session on Wednesday, January 31st and no class for the morning session Thursday, January 1st.

VALENTINES EXCHANGE- Children are welcome to share Valentines with their friends at school. **Please do not include candy, gum, or food of any kind.** Bring Valentine's to school Wednesday, February 14th. Children will make bags at school to place their valentines in. To help with delivery of Valentines, please do not write classmates' names on the envelopes.

Guest Readers are wanted in each of our classrooms. Please check for a sign-up list at conferences and outside your child's classroom. We look forward to having you share one or two of your family's favorite books with the class.

Registration is open! We are accepting registrations for the 2017-2018 school year. Word of mouth is our best advertisement, if you know of any families looking for preschool, give them a registration form and tell them to check us out!

You may have heard, Mrs. Lindgren announced her retirement for the end of the school year at the board meeting. She is a wonderfully kind, caring, and patient teacher and has been many of our children's first teacher. She will be greatly missed.

Why we do what we do

SMALL MOTOR- When children play with puzzles and manipulative materials, they are strengthening small muscles, developing hand-eye coordination, and learning to complete tasks.

LIBRARY/BOOK AREA- Children learn to love books and practice beginning reading skills.
