This month's units are Dinosaurs, Valentine's Day, Circus, and Dr. Seuss. Conferences are this month. No class for the PM session on Wednesday, February 6th and no class for the morning session Thursday, February 7th, please sign up for a conference with your student's teacher if you haven't yet. Also, no school February, 19th, 20th, and 21st for winter break.

VALENTINES EXCHANGE- Children are welcome to share Valentines with their friends at school. **Please do not include candy, gum, or food of any kind.** Bring Valentine's to school Wednesday, February 13th. Children will make bags at school to place their valentines in. To help with delivery of Valentines, please do not write classmates' names on the envelopes.

Guest Readers are wanted in each of our classrooms. Please check for a sign-up list at conferences. We look forward to having you share one or two of your family's favorite books with the class.

Registration is open! We are accepting registrations for the 2017-2018 school year. Word of mouth is our best advertisement, if you know of any families looking for preschool, give them a registration form and tell them to check us out!

Why we do what we do

SMALL MOTOR- When children play with puzzles and manipulative materials, they are strengthening small muscles, developing hand-eye coordination, and learning to complete tasks.

LIBRARY/BOOK AREA- Children learn to love books and practice beginning reading skills.
