Dear Families,

Happy New Year! This month our units are Winter, Color and Shapes, Peacemaking, and Dinosaurs. Conferences will be Wednesday, February 6th in the afternoon and Thursday, February 7th in the morning. Please note this is a change from the calendar and regular classes will **not** be held. Look for a sign-up in the hall or on sign-up genius later in the month.

Just a reminder, in case of bad weather LPNS does not have their own announcement. If public schools are cancelled, LPNS is cancelled. When public schools are 2 hours late the morning session will start at 10 (no snack will be served) and the afternoon will run as scheduled.

Due to licensing requirements, if children bring water bottles or chap stick to school, they must remain zipped in their backpacks/lunch box. Water bottles are not necessary as water is always available at school.

Welcome back Mrs. Cohoon!

Mrs. Cohoon is happy to be returning after her successful surgery.

Lunch Sign-up

If you would like to sign up for lunch, please text Mrs. Remus. She will let you know if space is available.

Upcoming Events

Feb. 6th and 7th

Conferences-no afternoon class the 6th, no morning class the 7th

Feb. 13th

Afternoon Valentines exchange

Feb. 14th

In Search of...

*gently used mittens for outside play (not knit, please)

*Tissues

*Clean dry 2 liter bottles

New Sink

The Boo Ball money this year went to a new sink in the Blue Room. This sink is motion sensitive. No more turning on a sink with hands full of finger paint!
