Dear Families,

What a great start to the year! Every day students visit each classroom. The teachers take turns setting up the rooms. Weekly activities, with goals, and the daily snack are posted in the hallway outside of the classrooms. The units this month are The New School Year and Apples.

We are happy to welcome Mrs. Remus to our school. For her full bio. check out our website. Other teacher changes include Mrs. Cohoon teaching in the Blue Room and Mrs. Remus taking over lunch. The lunch program is a great way to get an extra kid free hour to your day and the children love it.

We still have spots open in the morning and afternoon it's never too late to start. If you know of someone interested, let them know. Just a reminder there is a \$200 early withdrawal fee.

Please know that you may contact us with any questions, concerns, or information. Monday mornings are a great time to contact teachers at school (525-1967). Parents may request a meeting with their child's teacher at any time.
