

# Lakeside Presbyterian Nursery School

## *Special Talent & Interest Form*

Dear Families,

It was great meeting you last week! We are excited to know more about you and your preschooler. We believe your involvement is important to our success here at LPNS. We also believe we all have different ways to be involved.

Please indicate if you would like to participate in any of the areas listed below, and feel free to add any ideas you have.

We are looking forward to the coming year and will do our best to be your child's companion in learning.

Thank you!
